# NORTON CLIPPER CE414-350 HANDHELD ELECTRIC CUT-OFF SAW

  
**SAINT-GOBAIN**

# NORTON CLIPPER CE414-350

Norton Clipper CE414 is our very first electric handheld cut-off saw. Specially designed for your comfort, the CE414 makes less noise than a classic petrol handheld saw. Additionally, this machine does not release any harmful emissions making it ideal for working indoors.

## FEATURES

- Included machine stand
- Aluminium motor housing and gear box
- Overload protection
- Stable start
- Water access system and optional dust extraction system
- Powerful motor
- No harmful emissions

## BENEFITS

- Safer after the cut
- Better cooling and longer life
- Longer motor life
- Smoother starting and better operator control
- Wet and dry use without dust (with the optional dust extractor)
- Fast and effective cutting
- Ideal for working indoors
