HANDHELD DRILLING MOTOR CDM 204

FEATURES & BENEFITS

- 2200W handheld drilling motor with standard 60mm mounting collar for both handheld and rig-mounted intensive drilling up to 202mm diameter
- 3-speed gearbox with combined spindle for a wide range of corebit diameters, in both 1 1/4" and 1/2" connections.
- Combined water-inlet and dust-extraction connector to allow both wet and dry-drilling
- Soft-start switch for progressive load and rotation speed.
- Oil-bath lubricated gearbox for maintenance-free life-long lubrication
- Electronic overload protection and mechanical clutch to protect the motor from overheating and ensure the user's safety
- Delivered in suitcase for easy and safe transportation
- Overload L.E.D indicator to adjust pressure during drilling
- Maintenance L.E.D indicator to prevent misuse

Norton Clipper CDM 204 is a powerful and reliable 2200W handheld drilling motor. Its user-friendly design is fitted for intensive dry or wet-drilling jobs, up to 202mm diameter. Both electronic and mechanical overload protections improve durability. Enhanced cooling through the full aluminum body help preventing overheating damage and the direct access to motor brushes ease maintenance work.

CDM 204

Art.Nr.	70184631870
EAN 13 code	5450248807704

Power	2,2 kW [3 HP]
Supply Voltage	230V
Diameter Range	Ø 15 - 202 mm
RPM	650/1300/2600
Dry	Yes
Wet	Yes
Connection	1/2" + 1 1/4"
Weight	7,5kg

CDR 133 - KIT CDM204

Art.Nr.	70184632298
EAN 13 code	5450248812708

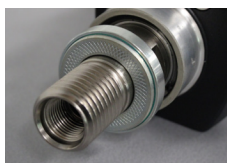

CDR 163 - KIT CDM204

Art.Nr.	70184632299
EAN 13 code	5450248812715

PRODUCT FEATURES

3 - SPEED GEARBOX

COMBINED SPINDLE WITH EASY RELEASE RING

EASY ACCESS TO BRUSH

WATER INLET & DUST EXTRACTION

DIFFERENTIAL SWITCH

STANDARD 60MM COLLAR
