TILE SAW TT251

SAINT-GOBAIN

TT251

FEATURES & BENEFITS

- Tilting table, perfect for mitre cuts from 0° to 45°
- Removable waterpan allowing easy blade mounting and water drainage
- Lockable cutting guide on both sides
- Fast and effective cutting
- Robust and long lasting with its stainless steel table
- Transport handle for easy handling and manoeuvrability
- Blade included : ø 250mm Classic Ceramic

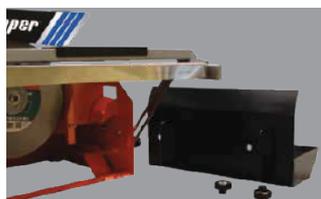

As with all other Norton Clipper solutions, the operator will enjoy the ergonomics of the machine's design and the high quality of cuts with a wide range of ceramic and porcelain tiles.

This product has been designed to provide market-leading usability, requiring the minimum amount of maintenance while still assuring a long operational life.
