

SC181

Ideal for electricians and plumbers, the SC181 is a powerful and smart wall chaser.

Fitted with two diamond wheels driven by a 1,8 kW motor, 5 to 45mm wide slots can be drawn in one operation, at cutting depth from 30 to 60mm.

Delivered in a strong metal box, the machine ergonomics were at the heart of the design to lower vibrations and ease the operation.

SC181 can be used with a dust extractor (CV324 or CV360).

SC401

SC401 is a 400mm electric portable cutter, with high flexibility thanks to its 3,0kW powerful motor and deep cutting depth.

It is suitable for a large variety of materials including bricks, masonry blocks, pavements, slabs, porous concrete, concrete, and natural or artificial stone.

SC401 features a water connection for wet cutting.
