NORTON CLIPPER CM 35 MASONRY SAW

SAINT-GOBAIN

NORTON CLIPPER CM 35 *Mini Clipper*

The CM 35 Mini Clipper masonry saw is a sturdy and efficient machine that provides clean and precise cutting for a wide variety of building materials such as bricks, block paving and roof tiles.

This machine features a dust extraction port that removes most of the dust produced in the cutting process when combined with a vacuum cleaner. Thanks to its watering hoses, the machine can also be used for wet cutting when plugged into an external water supply or combined with the optional water pump.

With its compact and ergonomic design, the CM 35 Mini Clipper fits seamlessly into the construction site or industrial environment. For best results use with Norton Clipper diamond blades.

FEATURES & BENEFITS

- Ergonomically designed to fit into small spaces
- Pendular cutting head that allows efficient step cutting and a longer blade life
- Dust extraction port facilitates a cleaner cutting process, making it ideal for indoor working
- Adjustable legs make the machine more stable and improves operator comfort

PRODUCT DATA

Model	CM 35 Mini Clipper
Item n°	70184603115
EAN 13 Code	5450248750666

Supply voltage/Power kW (Hp)	230V ~1 /2,2 kW
Max blade x bore	Ø350mm x 25,4mm
Max cutting depth	125mm
Max cutting length	340mm
Max material height	180mm
RPM	2800min-1
Weight	40kg
Dimensions	730 x 286 x 282mm

ACCESSORIES

Wheels & handles kit	310523364
Water tray & pump	310523296

ERGONOMIC AND COMPACT MACHINE

PENDULAR CUTTING HEAD

DUST EXTRACTION PORT
Ø 40mm

OPTIONAL WHEELS AND HANDLES KIT

OPTIONAL WATER TRAY & PUMP
