PRODUCT DATA

Item No.	701846 47807
EAN 13 Code	5450248 571568
Power W	1800
Volts	230V1~
Ø Range (mm)	15-160
RPM *	540/1200/2280
Dry	Yes**
Wet	Yes
Connection	½ + 1"¼
Weight	8,1kg

* RPM under load

** See our dust swivel on page 141

FEATURES

- Powerful 1800W drilling motor.
- Combined spindle.
- Ergonomic handles.
- 60mm ring on body.
- 3-speed gearbox.
- Oil-bath lubricated gearbox.
- Mechanical clutch.
- Soft-start switch.
- Overload protection.
- Delivered in suitcase.

BENEFITS

- For both handheld and rig-mounted drilling.
- For the mounting of 1"¼ and ½" corebits.
- Easy torque-control and comfortable to use.
- Can be mounted on drill rigs.
- For a wide drilling diameter range.
- Maintenance-free life-long lubrication.
- For user's safety.
- Limitation of starting current and speed.
- Protection of electrical & mechanical parts for longer life.
- Easy and safe transportation.
